

Do not weaken Indiana's Do Not Call Law. It works. It has stopped the nuisance phone calls. I am a citizen representing only myself and my family and prior to Indiana's Do Not Call Law, we had many intrusive sales, solicitation and we're just making a survey types of calls. Between 6 to 9 pm it was relentless and intrusive. Now, our phone is quiet unless a friend, relative or associate is calling for someone in the family. This law stopped the nuisance. DO NOT WEAKEN INDIANA'S DO NOT CALL LAW!

Thank-you.
