SPRINT PCS ADVANTAGE AGREEMENT

The Sprint PCS Advantage Agreement ("Agreement") is your Agreement for Sprint PCS Service and includes the terms of your service plan and the most recent Sprint PCS Terms and Conditions of Service ("Ts and Cs") - carefully read these terms which include, among other things, a MANDATORY ARBITRATION of disputes provision. A copy of the Ts and Cs comes with your phone, and is also available at Sprint Stores, www.sprintpcs.com, or through our Customer Service Solutions department.

Term Agreements: If your Agreement requires you to keep a phone active/maintain a line of service for a minimum Term, the Term begins on the phone activation date; for customers changing service plans, the Term begins when the new service plan is selected. You may terminate any line of service before its Term ends by calling *2, however you will be responsible for an EARLY TERMINATION FEE of \$150 ("Fee") for each line of service terminated early. You do not have to pay the Fee if you terminate under our return policy or where the Ts and Cs allow you to do so without the Fee. Payment of the Fee does not satisfy other outstanding obligations owed to us, including maintaining Term Commitments on other lines of service, or service or equipment-related charges.

Service Provisions: Service plans, customizable/upgrade options and special offers are available from 07/07/05 to 08/6/05, and may not be available everywhere or combinable with certain other promotions/options. Coverage is not available everywhere. See our mapping brochure for approximate outdoor coverage information. Plans are subject to credit approval. Taxes, surcharges (including a USF charge which may change monthly - 2.54% as of the print date of this brochure - and cost recovery fees of \$.65) or other fees which vary by market, not included. Surcharges and fees are not taxes or government required charges. Call 1-866-770-6690 for the up-to-date amount of the USF charge and information on cost recovery charges. A non-refundable \$36 phone activation fee applies to new activations, certain service plan changes or upgrades of equipment. A deposit of up to \$500 may be required to establish service. Service requires a phone compatible with our network. Monthly service charges are not refundable if service is terminated before your billing cycle ends.

Basic Services: All phone usage, including incoming and outgoing calls, incur charges. Unused plan minutes do not carry forward. Except with certain plans, included plan minutes are not good for local or long-distance off-network roaming calls. International roaming rates will vary. On a call that crosses time periods, minutes are deducted or charged based on the call start time. Calls are rounded up to the next whole minute. Sprint PCS to PCS Calling is only available on calls placed directly between separate Sprint PCS Phones (not through Voicemail, Directory Assistance or other indirect methods). Sprint PCS to PCS Calling is not available while roaming International rate charges for SMS Text Messaging may vary.

Sprint PCS Vision Services: Services require a Sprint PCS Vision Phone or device and are not available while roaming off the Sprint Nationwide PCS Network. Data usage is calculated on a per kilobyte basis and is rounded up to the next whole kilobyte. Rounding occurs at the end of each session or each clock hour and, at that time, we will deduct accumulated data usage from your plan, or assess overage or casual usage charges. You are responsible for all data activity from and to your phone/device, regardless of who initiates the activity. Estimates of data usage will vary from actual use. In certain instances, we may delete premium and non-premium items downloaded to available storage areas (e.g., personal vault), including any pictures, games, ringers or screen savers. Your invoice will not separately identify the number of kilobytes attributable to your use of specific sites, sessions or services used. Premium Services (games, ringers, etc.) priced separately.

PROMOTIONS, OPTIONS AND OTHER PROVISIONS

Sprint PCS Vision: Not available where use is in connection with server devices or host computer applications, other systems that drive continuous heavy traffic or data sessions, or as substitutes for private lines or frame relay connections. Roaming-Included Plans: Not available with single-band or digital mode only phones, or to customers residing in an area not covered by the Sprint Nationwide PCS Network. **Sprint may terminate service if a majority of minutes in a given month are used while roaming off the Sprint Nationwide PCS Network.** International calling including in Canada & Mexico, not included. Dial "911" on your phone in an emergency. Airtime and applicable long-distance charges begin when you press or activate the TALK or similar key.

Services are provided by AAA, AAA clubs, CAA clubs and in California, the National Automobile Club and Auto Partners Motor Club, Inc. Sprint is not a motor club.

Sprint PCS International and Sprint PCS Call Canada: For verification purposes, activation of plan may take approximately 1 to 3 days, additional information may be required during verification process.

One Month Free Offers: If you do not wish to continue with the service after the initial free month, you must contact us prior to the billing end date of your second invoice to avoid charges. Additional charges apply for premium content.

Sprint PCS 14-day Risk-Free Guarantee: We will refund any activation fee you paid and waive your early termination fee only if, within 14 days of activation, you: (1) return your complete, undamaged Sprint PCS Phone with the original retailer's proof of purchase; and (2) request that we deactivate your service. In all instances, you are responsible for all charges based on actual usage (partial monthly service charges, taxes and Sprint surcharges).

Sprint PCS Clear Pay Program: In most instances a deposit between \$125 and \$500 applies. We may require a deposit of up to \$1000 in certain instances. A preset account spending limit of between \$125 and \$500 will apply - ask the specific amount. We may limit the number of phones you can activate on your account. Monthly service plan charges accrue even if your service is turned off, when you exceed your spending limit or in instances of nonpayment. Roaming usage may be invoiced after 30 - 60 days.
