

I agree with the FCC decision on NOTICE OF PROPOSED
RULE MAKING AND ORDER WT Docket No. 05-235.

But, if I was the Big Kula of the FCC

In addition I would:

On the same date that element one test is removed.

I would raise the passing score on all amateur license tests to 80 per cent.

		Correct To pass	
Number of questions		Old	New
Tech	35Q	26	28
General	35Q	26	28
Extra	50Q	37	40

I would also consider rising the number of questions on the general test to 50.
