Re: In the Matter of SBC Communications Inc. and AT&T Corp. Transfer of
Control Applications - WC Docket No. 05-65

Dear Ms. Dortch:

On Monday, August 29, 2005, on behalf of AT&T, I spoke by telephone with Mark Uretsky of the International Bureau and answered his questions regarding the international traffic carried by AT&T and its subsidiaries ("AT&T"). Specifically, I informed Mr. Uretsky that in 2003 and 2004, AT&T provided the following world total United States-outbound minutes:

[REDACTED]

AT&T is unable to provide world total U.S.-outbound minutes provided to end-users and unaffiliated carriers separately for traffic terminated over its own facilities and traffic terminated through resale arrangements, because [REDACTED]

Today, pursuant to Section 1.1206 of the Commission's Rules, 47 C.F.R. § 1.1206, and the Order Adopting Protective Order,¹ AT&T is filing the confidential version of this letter with Gary Remondino of the Wireline Competition Bureau and with your office and the redacted version in ECFS. The unredacted letter will be made available for inspection, pursuant to the terms of the Protective Order, at the offices of Sidley Austin Brown & Wood LLP.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Mark D. Schneider
Counsel for AT&T Corp.

cc: Mark Uretsky
