RE: **Subscriber Acknowledgement Report** September 1, 2005, submitted on behalf of WestCom LLC dba WesTelFiber in WC Docket No. 05-196, *E911 Requirements for IP-Enabled Service Providers*. FRN 0007594153

Dear Ms. Dortch;

Please accept this Subscriber Acknowledgement Report for September 1, 2005 on behalf of WestCom LLC dba WesTelFiber (fka Digital Easy Chair).

- As of August 5, 2005, WesTelFiber sent out the required notices, labels and subscriber acknowledgements to all eighty-two (82) of their VoIP customers.
- As of August 30, 2005, forty-one percent (41%) or thirty-four (34) customers had signed and returned their acknowledgements. WesTelFiber is still anticipating that they will receive the remaining fifty-nine percent (59%) by September 28, 2005.
- As previously outlined in our August 10, 2005 Report, WesTelFiber feels that no customer should be disconnected without first having an opportunity to talk to them. To this end, WesTelFiber will make personal contacts with every customer at their premise prior to disconnecting their service on September 28, 2005. All action taken to contact the customer will be noted in their file.
- WesTelFiber does not have the ability to perform a “warm” or “soft” disconnect procedure to disconnect those subscribers that do not return their signed acknowledgement by September 28, 2005. We are working on this procedure, as described in the Public Notice DA 05-2358 released August 26, 2005, and hope to have it in place by September 28, 2005.
