Re: Federal-State Joint Board on Universal Service; CC Docket No. 96-45

Dear Ms. Dortch:

On September 7, 2005, Scott Turicchi, Scott Jarus, and I, on behalf of j2 Global Communications, Inc. (“j2 Global”), met with Michelle Carey, legal advisor to Chairman Martin. We discussed the Commission’s proposals to modify the current universal service contribution methodology. Specifically, we discussed concerns regarding the proposal to require contributions to be based on telephone numbers assigned to end-users. We explained that this would have a significant, adverse affect on j2 Global’s operations and millions of its customers.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, this letter is being filed electronically in the record of the above-referenced proceeding. Please do not hesitate to contact me if you have any questions.

Respectfully submitted,

/s/ David M. Don
