FCC Docket # 01-92

RECEIVED & INSPECTED

Dear FCC Chairman Kevin Martin:

Please reject the proposal by the "Interconnected 2005 Compensation Forum," a coalition of SBC and other big phone companies that want to raise the Federal Access Charge on my bill to \$10 a month. This proposal eventually would raise my phone bill by \$66 before I even make a call.

Please take a strong stand today to protect consumers from this unwarranted rate hike.
