Re: Verizon Communications Inc. and MCI, Inc., Applications for Approval of Transfer of Control, WC Docket No. 05-75

Attached is a set of maps that show MCI's and other providers' known fiber and buildings served by fiber, overlaid on top of high resolution satellite photographs of areas where MCI and Verizon have overlapping fiber facilities. The process used to create these maps is described in the Declaration of Nicholas J. Vantzelfde of Altman Vilandrie & Company, which we are filing under separate cover.

Sincerely,

Dee May
