Re: Applications for Consent to Transfer Control of Filed by Verizon  
Communications, Inc. and MCI, Inc., WC Docket No. 05-75

Dear Ms. Dortch:

As a follow-up to Verizon's September 14, 2005, letter in this proceeding, we are enclosing additional third-party data to supplement our previous submissions. This data further confirms that all segments of the business market are intensively and increasingly competitive and that the combination of Verizon and MCI will not harm competition for any segment of business customers or services.

Sincerely,

REDACTED - FOR PUBLIC INSPECTION
