Dear The Federal Communications Commission,

I am against the flat-fee plan and urge you to oppose it. The flat-fee would mean a tax hike for people like me. I bought a tracphone so I could lower my costs. I cannot afford an increase in phone service.

I support the Keep USF Fair Coalition, and monitor this issue on their website. Stopping the flat fee tax is important to my family - not to mention my pocket book. You will hear from me again, until this issue is resolved fairly! The flat-fee is unfair, and un-American. Make people pay for what they use.

Thank you.
