MOTION TO DISMISS

SUBSTANTIVE DUE PROCESS OF LAW

You have no rights to take my freedom away

First & Ninth & Fourteenth Amendments

This is what it conveys. The Law Of The Land Federal & State.

The "why" is substantive due process. Even if an unreasonable law and/or regulations (CFR) are and/or is passed and signed into law legally (procedural due process), substantive due process makes the law unconstitutional.

THE FCC RULES & REGULATIONS ARE UN CONSTITUTIONAL IN REGARDS TO RADIO  
THEY HAVE ABUSED THERE POWER AND AUTHORITY UNDER THE JURISDICTION OF ED  
FRITZ AND THE NAB AND BIG MONEY.

My name is Joseph D'Alessandro (WREBG-LP), and I strongly do not support any actions the  
Federal Communications Commission takes to expand and support The NAB & Ed Fritz and all of the  
Radio stations under the Jurisdiction of the NAB and There Attorneys.

This is a Legal Document under Oath and For Public Domain.

YOU CAN INSPECT MY STATION WRBG-LP

According to our (yours and mine), "Substantive Due Process of Law & Substantive Law",  
I need answers to my Legal Rights now, you the FCC AND ED FRITZ AND THE NAB are LIABLE for  
causing psychological distress and physical injury. I have over several thousands of dollars invested  
in my station  
as per the FCC to be on the air. I had to spend thousands of dollars to be under the FCC's jurisdiction  
that is good  
but in return The FCC has usurped my "Substantive Due Process of Law & Substantive Law",  
and my Civil Rights, Civil Liberties, Legal Rights, Bill of Rights, (First, Ninth, & Fourteenth  
Amendments, by giving me no protection from MONOPOLIZATION (BY ED FRITZ AND THE NAB  
AND  
THE NAB ATTORNEYS.

If you would like to inspect my station call me in advance, 302-945-1554 i must know to let you  
in otherwise  
you have no jurisdiction under the "posse comitatus ACT OF 1878 " (English by Force Act of 1878)  
Sussex County has no sheriff, he was made VOID, FRIVILIOUS AND MOOT BY THE CITY  
COUNCIL,  
WHICH HAVE VIOLATED THE LAW AND/OR LAW OF THE LAND posse comitatus ACT OF 1878

Law "posse comitatus" as "the power or force of the country... the entire population of a county above the age of fifteen, which a sheriff may summon to his assistance in certain cases as to aid him in keeping the peace, in pursuing and arresting felons, etc." it says sheriff, not president, or FCC or Federal Government

Remember no Federal Government Agency and/or The Federal Government may enter my property without my jurisdiction and/or consent. You must be under the Legal Jurisdiction of the official law enforcement of Delaware The Sheriff, his power of law enforcement is void, moot and frivolous. We have no Sheriff he is a CLERK with no LAW JURISDICTION.
