RE: *Verizon Communications Inc. and MCI, Inc. Applications for  
Approval of Transfer of Control – WC Docket No. 05-75  
Amendment to Application*

Dear Ms. Dortch:

By this letter, the Applicants in the above-referenced proceeding hereby notify the Commission of a modification to the list of domestic Section 214 authorizations to be transferred to Verizon Communications Inc. (“Verizon”) as a result of the consummation of a separate transaction. Specifically, the transfer of control of Military Communications Center, Inc. (“MCC”) from MCI, Inc. (“MCI”) to MCC Acquisition Corporation was consummated on September 30, 2005. Accordingly, an amended Exhibit 2 to Applicants’ application to transfer control of domestic Section 214 authorizations is being submitted with this letter to reflect the removal of MCC from the list of MCI subsidiaries holding domestic Section 214 authorizations that are to be transferred to Verizon. MCI’s Form 602 and the proposed combined Verizon-MCI Form 602 are being updated to reflect this change.

Applicants also note the addition of certain licenses to the above-captioned application. New experimental licenses have recently been granted to an MCI subsidiary, SkyTel Corp. An application seeking the transfer of control of these licenses to Verizon as part of this larger transaction was electronically filed on October 13, 2005, in the Commission’s OET Experimental Licensing System and assigned “Parent Application” File No. 0035-EX-TU-2005.
