RE: Notice of Ex Parte Presentation – Application for Consent to Transfer Control of AT&T Corp. to SBC Communications Inc., WC Docket No. 05-65

Dear Ms. Dortch:

On October 20, 2005, James C. Smith, Wayne Watts and Gary Phillips on behalf of SBC Communications Inc. (SBC) and Bob Quinn on behalf of AT&T Corp. (AT&T) met with Jessica Rosenworcel, wireline legal advisor to Commissioner Copps. Consistent with the extensive data SBC and AT&T have previously provided in this proceeding, the parties explained that the merger will result in substantial benefits for customers and will have no adverse impact on the special access market and therefore there is no basis in the record for the conditions being advocated by several competitors. The parties used the attached confidential handouts to demonstrate the significant competition from CLECs in markets where AT&T self provisions special access.

In accordance with Section 1.1206(b)(1)-(2) of the Commission's rules, this letter is being filed electronically with your office for inclusion in the public record.

Please contact me at (202) 326-8915 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Thomas F. Hughes". The signature is written in a cursive, flowing style with a long horizontal line extending to the left.

CC: Jessica Rosenworcel
