

Dear Sirs,

Regarding:

WT Docket 05-235. The NPRM&O has proposed to do away with the 5 WPM Morse code requirement for all license classes.

My comment is that doing away with the Morse Code is a bad idea. Morse Code has been with us since the beginning of Amateur radio and is a part of our history as Amateur Radio Operators. To not include it on the tests is purely ridiculous.

Sincerely,

Vincent G. Mattera WB2AAP
