

I continue to receive telemarketing calls for the Verone (or some version of this spelling) family, who has not had my phone number in over 5 years. The phone number I currently have I was assigned by Verizon in August 2001 and have had at 2 different residences in the same town, continuously. Still I receive telemarketing calls for the prior holder of this #, despite having signed up for the "do not call registry". Most recently, I received a call at 8:45 p.m. while my 5 yr. old daughter was sleeping. I do not appreciate either collection calls for an OBVIOUSLY OUTDATED form (how current can their info be if the # is wrong for almost 5 yrs?) and telemarketers for another family. KEEP THE DO NOT CALL REGISTRY AS IT EXISTS IN N.J.
