Re: EX PARTE SUBMISSION
WT Docket 03-66; Amendment of Parts 1, 21, 73, 74, and 101 of the
Commission's Rules to Facilitate the Provision of Fixed and Mobile
Broadband Access, Educational and Other Advanced Services in the 2150-
2162 and 2500-2690 GHz Bands

Dear Ms. Dortch:

On December 1, 2005, Bradley Holmes, Chief Operating Officer of NY3G Partnership ("NY3G"), and Bruce Jacobs, counsel for NY3G, met with John Branscome, legal advisor to Commissioner Abernathy, regarding the above-referenced proceeding. NY3G urged the Commission, if it adopts a negotiation period for unresolved conflicts, to provide a default that incentivizes both parties to negotiate in good faith to establish metropolitan-wide service.

Very truly yours,

Bruce D. Jacobs
Tony Lin
Counsel for NY3G Partnership
