Installation Are Permissible Under the)
Commission's Over-the-Air Reception Devices)
(OTARD) Rules)

DECLARATION OF DEBORAH LAU KEE
In Support of
The Massachusetts Port Authority

I, DEBORAH LAU KEE, declare under penalty of perjury that the following is true and correct, to the best of my information and belief:

1. I have been employed by the Massachusetts Port Authority ("Massport") since 1985, and my current position is Associate Deputy Chief Legal Counsel.
2. As part of my responsibilities, I am familiar with the lease (the "Lease") with Continental Airlines ("Continental") for its premises at Logan Airport.
3. Massport negotiated with Continental and entered into an individual agreement for Continental's premises. This individual agreement is the Lease.
4. Massport, under its regulatory powers, has promulgated regulations which are published in Section 740 of the Code of Massachusetts Regulations. The terms of the Lease are not set forth in nor are they a part of Section 740 of the Code of Massachusetts Regulations. Massport has not unilaterally adopted a generally applicable resolution or policy which sets forth the lease terms for all of its properties.
5. Massport acted in its proprietary capacity when it entered into the Lease.
