## COMMUNITY NOTES

**Our Community:** Pawnee City is a beautiful little city with many trees, nice homes, well kept yards and gardens, good schools, churches, parks and recreation facilities. It is the home of CJ Foods Inc., Foods Extrusion of Custom Grains, a large animal food manufacturing plant. It is surrounded by a large area of fertile country where diversified farming is carried on. Located near the center of Pawnee County, the Pawnee City townsite was selected as the county seat in 1856. The county erected its first courthouse in 1869, and even rebuilt it nine years later. Legend tells us that the town is on the exact spot where the largest village of the Pawnee Indians was located. The first rail lines arrived in Pawnee City in 1881 when the Burlington and Missouri River Railroad built throughout the county. In August of 1881, a devastating fire destroyed over half of the community's businesses. Pawnee City can look to a future that presents significant opportunities. Strong regional highway links, outstanding historic resources, and the presence of the County seat, community schools and hospital and medical services are key building blocks to the community's future success.
