Re: Applications for Consent to the Assignment and/or Transfer of Control of Licenses, Adelphia Communications Corp., Assignors, to Time Warner Cable Inc., Assignees; Adelphia Communications Corp., Assignors and Transferors, to Comcast Corporation, Assignees and Transferees; Comcast Corporation, Transferor, to Time Warner Inc., Transferee; Time Warner Inc., Transferor, to Comcast Corporation, Transferee, MB Docket No. 05-192

Dear Ms. Dortch:

On January 11, 2006, Jim Coltharp, representing Comcast Corporation (“Comcast”), Steven Teplitz and Susan Mort, representing Time Warner Inc. (“Time Warner”), and the undersigned, representing Adelphia Communications Corp. (“Adelphia”) (collectively, the “Applicants”) met with Aaron Goldberger and Ian Dillner of Commissioner Tate’s office regarding the above-captioned proceeding.

During the meeting, Applicants described the proposed Adelphia-Time Warner-Comcast Transactions as set out in their Public Interest Statement. Applicants also described the many public interest benefits associated with the proposed Transactions, including accelerated rollout of advanced services, greater emphasis on local communities and local programming, increased competition that will result from geographic rationalization, unwinding of Comcast’s interest in Time Warner Cable, and the facilitation of Adelphia’s exit from bankruptcy. The discussion was consistent with documents that Applicants have previously filed in this proceeding.
