Re: WT Docket No. 05-301 – Verizon Wireless GPS handset waiver petition

Dear Ms. Dortch:

On January 18, 2006, Paul Nash and John Scott of Verizon Wireless met with Commissioner Jonathan Adelstein and Barry Ohlson, Senior Legal Advisor to Commissioner Adelstein, to discuss Verizon Wireless' pending E911 handset waiver petition. They discussed Verizon Wireless' efforts to persuade customers to replace non-GPS handsets and the company's current progress in achieving the GPS handset milestone.

Pursuant to section 1.1206(b)(2) of the Commission's rules, an electronic copy of the letter is being filed for inclusion in the above-referenced docket. Please direct any questions regarding this filing to the undersigned.

Sincerely,

A handwritten signature in black ink that reads "John T. Scott, III". The signature is written in a cursive style with a small "III" at the end.
