RE: WT Docket No. 06-18

Dear Ms. Dortch:

This is to inform the Commission that representatives of the State of New York met with staff of the Office of Engineering & Technology, Wireless Telecommunications Bureau, and Media Bureau on January 31, 2006, to discuss the State's pending Request for Waiver in the above-referenced proceeding. The State's representatives (Sean O'Hara, Eva Piltch-Boucher, David Laida and the undersigned) described the engineering showing contained in the Request and answered questions from the Commission staff, focusing on the measurement techniques for evaluating potential interference.

Please contact the undersigned should the Commission have any questions.

Respectfully submitted,

Robert M. Gurss
Counsel for State of New York
