Re: MB Docket No. 03-15
KCTV-DT, Kansas City, Missouri (Facility ID No. 41230)
FCC File No. BMPCDT-20040715ADD
Supplement to Request for Waiver of July 1, 2005
Replication/Maximization Deadline

Dear Ms. Dortch:

On behalf of Meredith Corporation (“Meredith”), permittee of television station KCTV-DT (Kansas City, Missouri) (the “Station”), we hereby supplement Meredith’s request for waiver of the Commission’s July 1, 2005 DTV replication/maximization interference protection deadline as applicable to the Station. On June 30, 2005, Meredith submitted a request for waiver of the July 1, 2005 deadline for the Station because, due to circumstances beyond its control, Meredith had been unable to implement its full maximization facilities for the Station.

By this letter, Meredith notifies the Commission that it has implemented maximized facilities as authorized in the above-referenced construction permit. Accordingly, further waiver of the July 1, 2005 deadline is unnecessary.

Respectfully Submitted,

Scott S. Patrick
