RE: Certification of CPNI Filing (February 3, 2006)

Dear Commissioner,

In compliance with, EB-06-TC-060 and EB Docket No. 06-36 please accept this as our Certification of CPNI filing.

I, William Linsmeier, President of TCO Network, Inc. (FEIN 39-1959946) have personal knowledge that TCO Network, Inc has established operating procedures that ensure compliance with the Commission's rules in section 64.2009(e). TCO Network's operating procedures are attached.

Sincerely,

William Linsmeier
President

CPNI Operating Procedures

Customer information; calling patterns, including any listing of the telephone or other access numbers called by the subscriber, credit and other personal financial information, the services that the subscriber purchases from the TCO Network, Inc., a subscriber's name, address and telephone number; are available only to our customers individually after proper verification. Verification includes a request for name, telephone number, account number, and address.

No information is provided to any third party whatsoever.

TCO Network, Inc. primarily provides commercial service. Any residential service would be adjunct to the commercial customer.
