Re: FCC Public Notice Released January 30, 2006
Certification of CPNI Filing February 6, 2006
EB-06-TC-060 and EB Docket No. 06-36

Dear Ms. Dortch,

In accordance with Public Notices DA 06-223 and DA 06-258 issued by the Enforcement Bureau, please find attached the most recent CPNI compliance certificate and accompanying statement of our company's compliance as required by Section 64.2009(e) of the Commission's Rules for Acceris Management and Acquisition LLC ("AMA").

If there should be any questions or concerns regarding this filing, please do not hesitate to contact me directly at the address and number below.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Abby Knowlton".

CPNI Statement

This statement is made pursuant to 47 C.F.R. 64.2009(e) to explain how the operating procedures of Acceris Management and Acquisition LLC ensure that the company is in compliance with the FCC Customer Proprietary Network Information (CPNI) rules.

Approval required for use of customer proprietary network information.

- Acceris Management and Acquisition LLC ("AMA") is not engaged in the sale of or the marketing of new products based on CPNI. Should AMA engage in such practices in the future, AMA will employ and file policies and procedures that will fully comply with FCC Rules and Regulations regarding the use of CPNI.
- AMA does not engage in any marketing joint ventures requiring CPNI disclosure or enlist the services of independent contractors in any manner that requires CPNI disclosure. Should AMA engage in such practices in the future, AMA will employ and file policies and procedures that will fully comply with FCC Rules and Regulations regarding the use of CPNI.

Notice required for use of customer proprietary network information.

- AMA does not engage in any activities that would warrant disclosure of CPNI and subsequently customer's approval for CPNI disclosure at this time. Should AMA engage in such practices in the future, AMA will employ and file policies and procedures that will fully comply with FCC Rules and Regulations regarding the use of CPNI.

Safeguards required for use of customer proprietary network information.

- AMA does not engage in any sales or marketing efforts, nor does it employ or joint venture with third parties to market new services to our existing customer base. Should AMA engage in such activities in the future, policies and procedures will be implemented in full compliance with FCC Rules and Regulations regarding the use of CPNI.
- AMA has training materials for the purpose of training employees with access to CPNI in the acceptable methods for customer approvals for disclosure of CPNI of any kind. These training materials are reviewed with employees from time to time.
- AMA has implemented a policy and procedure for the annual review of AMA's adherence to the Rules and Regulation regarding CPNI. Any process or initiative that is considered within the annual period that contemplates the disclosure of CPNI will be reviewed by Regulatory Compliance and an Officer of the company to ensure compliance with the Rules and Regulations governing such activity.

Review and Revisions to procedures

- AMA will undertake the responsibility of reviewing these procedures on a continuing basis to ensure compliance with all Rules and Regulations regarding the utilization of CPNI. We shall revise these procedures on a timely basis to reflect any subsequent revisions to the applicable Rules and Regulations addressing CPNI.
