RE: **Certification of CPNI Filing February 6, 2006**
EB-06-TC-060
WC Docket No. 05-196 *06-36*

Gentlemen,

As the sole owner of the carrier, Ozborn Communications Service, I am the carrier's agent responsible for compliance with Section 64.2009 of the FCC Rules regarding CPNI. I have personal knowledge that this carrier maintains procedures that are adequate to assure compliance.

Our compliance procedure is that we do not maintain CPNI or use it for marketing in any way. We are an extremely small local paging company. We provide no other carrier based telecommunications service. No capabilities exist in our system to capture or hold CPNI. We have only three employees total, with only two employees having access to our paging equipment, one of which is me. The traffic comes into and passes through our system without any means of archival recording.

We do no marketing of our service other than typical mass advertising such as yellow pages and media ads.

We associate with no other companies in our marketing efforts.

Our subscriber list is contained only in our paging system itself and our own in-house billing system. Our billing is on a flat rate basis, negating any need to maintain CPNI.

I hope that this statement fulfills the requested filing obligation. Please do not hesitate to call on me if I can assist you further.

Sincerely,

Michael K. Ozborn, Owner
