Re: Progress Telecom Request for Extension of Time to File
Certification of CPNI Filing in EB Docket No. 06-36
EB-06-TC-060

Dear Ms. Dortch:

Progress Telecom ("Progress"), by its undersigned counsel, and pursuant to Section 1.46 of the Commission's rules, hereby requests an extension of time in which to file its Certification of CPNI Filing in EB Docket No. 06-36, due today, February 6, 2006. Progress respectfully requests that the Commission grant this request for an extension of time until Monday, February 13, 2006.

As announced in recent press releases, Progress has agreed to sell the majority of its communications operations to another carrier, and the Progress officers are actively involved in the requisite regulatory compliance activities, and otherwise preparing for closing. As a result, the officer who would normally sign the Compliance Filing is out of the office for most of this week. This is truly an extraordinary circumstance that renders timely compliance with the Commission's filing requirement impossible.

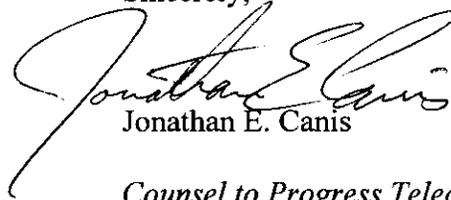

Progress anticipates being able to confirm that it is fully compliant with the Commission's CPNI rules, and will so state when it submits its filing. Progress will submit its Certification of CPNI Filing no later than February 13, 2006.

Progress fully understands that it is the policy of the Commission that extensions of time are not routinely granted. However, given the facts set forth herein, Progress believes that it has shown good cause to grant its requested extension of time within which to submit its Certification of CPNI Filing. Further, no party will be prejudiced by the granting of this request. Please contact the undersigned should you require further information.

Sincerely,

Jonathan E. Canis

Counsel to Progress Telecom
