Re: Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket No. 05-311

Petition of the Verizon Telephone Companies for Forbearance under 47 U.S.C. § 160(c) from Title II and Computer Inquiry Rules with Respect to Their Broadband Services, WC Docket No. 04-440

IP-Enabled Services, WC Docket No. 04-36

Dear Ms. Dortch:

On February 15, 2006, Daniel L. Brenner, Senior Vice President, Law & Regulatory Policy, National Cable & Telecommunications Association ("NCTA"), Howard Symons of the law firm Mintz, Levin, Cohn, Ferris, Glovsky & Popeo, and I met with Rudy Brioche and Scott Bergman, Legal Advisors to Commissioner Jonathan S. Adelstein. We discussed NCTA's position on (1) Verizon's Petition for Forbearance, (2) AT&T's claims that its video service is not a "cable service" provided over a "cable system," and (3) the Commission's rulemaking proceeding dealing with local franchising. Our discussion reflected the NCTA submissions in the above-referenced dockets.

If you have any questions, please contact the undersigned.

Sincerely,

/s/ Neal M. Goldberg
