*Re: Amendment of Part 22 of the Commission's Rules to Modify of Eliminate Outdated Rules
Affecting the Cellular Radiotelephone Service and other Commercial Mobile Radio
Services, WT Docket No. 01-108*

Dear Ms. Dortch:

On 21 February 2006, Steve Sharkey of Motorola, Jim Bugel of Cingular, Robert Koppel of Texas Instruments and undersigned counsel – all representing 3G Americas LLC – met with Commissioner Tate and Aaron Goldberger, her legal advisor, to discuss 3G mobile wireless technologies.

During the course of this meeting, we suggested in passing that it would advance the rollout of broadband mobile wireless services were the Commission to allow the rules requiring analog CMRS services to sunset in 2007 as planned.

In accordance with FCC rules, I ask that this letter be filed in the above-captioned docket.

Sincerely yours,

Scott Blake Harris
Counsel to 3G Americas LLC
