Re: Initial Certification Letter – Interstate, Domestic, Interexchange Services;  
Implementation of Section 254(g) of the Communications Act of 1934, as amended;  
CC Docket No. 96-61

Dear Ms. Dortch:

Cunningham Communications (Communications) will begin providing interstate, domestic, interexchange services on February 24, 2006. On behalf of Communications, I hereby certify that such service will be in compliance with geographic rate averaging and rate integration obligations pursuant to 47 USC §254(g). See 47 CFR §64.1900(a), (b). These obligations are elements of the Commission's universal service policy, and require that the rates charged by providers of IXC services in rural and high cost areas shall be no higher than those charged in urban areas, and that the rates charged to subscribers in different states not be disparate.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief based on records currently available.

Respectfully submitted,

David B. Cunningham
