Dear Valued Customer:

TDS Metrocom and Integra Telecom are pleased to announce that Integra Telecom will acquire the business and residential customers of TDS Metrocom in your area. Integra Telecom is a well-established, highly respected carrier that is certified to provide local service in your area and has been in the local telephone business since April 1997. We know you will be pleased with the quality of Integra's services and want to assure you that you will continue to receive all the features/services you currently receive from TDS Metrocom. If you currently receive service under a contract with TDS Metrocom, the terms and conditions of service, including rates, will apply as specified in your current contract and selection of another carrier at any point is subject to the terms of that contract. If you are not currently under a service contract with TDS Metrocom, your terms and conditions will be governed by Integra's tariffs on file with the Public Service Commission.

The transfer to Integra Telecom is expected to begin on or after **March 18, 2006**. The actual effective date of the transfer will depend on when the appropriate state and federal regulatory approvals are received. Your first bill after the transfer will notify you that the transfer occurred as of a specified date. While the actual transfer will not occur until on or after **March 18, 2006**, customers wishing to make changes to their account before the transfer is completed must notify TDS Metrocom of their intent no later than **February 17, 2006**. Any customers who have not taken action by the 30-day cut-off date will be transferred to Integra Telecom and will have to wait until the transfer has occurred before making changes. No action is required by you for Integra Telecom to automatically become your local and long distance provider (if you were receiving those services from TDS Metrocom).

You will not be responsible for any carrier-change fees in connection with this transfer. Integra Telecom will be responsible for any carrier change charges. Your rates will stay the same and you will continue to enjoy the same favorable terms and conditions. A complete list of your current rates is attached. In the future, any changes in rates, terms and conditions will be communicated to you as a bill insert or bill message. You will continue to receive top quality services with performance that meets or exceeds that of the services you currently receive. Please note that any preferred carrier freeze you have placed through TDS Metrocom will be lifted and your service will be transferred to Integra Telecom. You must request a new freeze at that time by calling Integra's toll free number at 1.866.INTEGRA.

TDS Metrocom will be responsible for handling any customer complaints filed, or otherwise raised prior to or during the transfer of service to Integra.

Please remember that you are still responsible to pay bills for services provided during the transition period. If you have any questions or concerns about the transfer of your service, please call TDS Metrocom at the phone numbers provided below. You should also feel free to contact Integra's customer care department at 1.866.INTEGRA.
