Re: Applications for Consent to the Assignment and/or Transfer of Control of Licenses, Adelphia Communications Corp., Assignors, to Time Warner Cable Inc., Assignees; Adelphia Communications Corp., Assignors and Transferors, to Comcast Corporation, Assignees and Transferees; Comcast Corporation, Transferor, to Time Warner Inc., Transferee; Time Warner Inc., Transferor, to Comcast Corporation, Transferee, MB Docket No. 05-192

Dear Ms. Dortch:

On March 7, 2006, Brian L. Roberts, Kerry Knott, and the undersigned of Comcast Corporation (“Comcast”) and Mike Meece of Meece Enterprises LLC met with Chairman Martin, Catherine Bohigian, and Fred Campbell regarding the above-captioned proceeding.

Comcast discussed the many public interest benefits of the pending transactions. In particular, the transactions will facilitate Adelphia’s exit from a three year bankruptcy process and lead to accelerated deployment of advanced services to Adelphia’s subscribers.

Comcast also addressed its interests in regional sports networks and summarized information previously presented in the record.

Finally, Comcast discussed its provision of high-speed Internet services. It noted its long-standing policy of allowing customers unfettered access to all content, services, and applications on the Internet and noted that the record is devoid of any evidence that Comcast’s actions have been contrary to this policy.
