MOTION FOR EXTENSION OF TIME

Dreamcatcher Communications, Inc. ("Dreamcatcher"), licensee of Radio Station WRAC(FM), West Union, Ohio, by its counsel, hereby requests an extension of time in which to file with the Commission a minor change application for a construction permit, specifying operation on Channel 276A at Georgetown, Ohio (the "Application"). On February 10, 2006, Dreamcatcher requested extension of the Application filing deadline to March 13, 2006.

Dreamcatcher needs additional time to finalize its tower site plan and to prepare the Application. Dreamcatcher is working with various parties to effectuate the WRAC(FM) minor change and has determined that the tower site originally proposed in the above-captioned proceeding will not provide the most optimal coverage for WRAC(FM). Dreamcatcher has identified two alternative locations for its tower, and has reasonable assurances that each tower site will be available for WRAC(FM)'s broadcast facility. Dreamcatcher's consulting engineer has recently completed studies on the alternative locations, and Dreamcatcher's principals are

currently reviewing the results. Accordingly, Dreamcatcher needs an additional 30 days to finalize its site selection and complete its engineering studies for the Application.

Therefore, for good cause shown, Dreamcatcher respectfully requests that the Commission grant an extension of time until April 12, 2006, in which to file the Application.

Respectfully submitted,

DREAMCATCHER COMMUNICATIONS, INC.
