CC Docket No. 96-45  
Filer ID 825162

Dear Sirs,

Attached please find the completed form 499A for 2005, with a due date of April 2006. We at Global Connection Inc. of America disagree with this form 499-Q rejection letter and request that the fees charged be recomputed for the following reasons:

The initial form 499Q filed for August 1, 2005 with historical revenues for the period of April 1, 2005 through June 30, 2005 and for projected revenues for the period October 1 through December 31, 2005 was incorrect, and should not have been filed. The term interstate revenue was interpreted to mean calls within the state instead of long distant calls. The initial revenues were reported as interstate revenues instead of intrastate revenues. This error was not caught until the November 1, 2005 499Q form was reviewed. At that time we attempted to correct the August 1, 2005 form, but we were not within the 45 day window. We have completed the 499A for 2005 on the form 499A with a due date of April 2006 and would like to have the amounts due tried up at this time. The information on the person who can most readily discuss this appeal with USAC is; Larry Brown CPA, 2614 Kelly Lake Road, Decatur, GA 30032, phone numbers – Office phone 404-381-0707, Cell phone 404-520-3331, fax number 404-241-9741, and e-mail address dappyman@ix.netcom.com

Thanking you in advance for your time and consideration.

Sincerely,

Houssam Abdallah

**RE: August 2005 FCC Form 499-Q Revision Rejection**

Federal Communications Commission (FCC) regulations require carriers to file an FCC Form 499-A annually and an FCC Form 499-Q quarterly and require the Universal Service Administrative Company (USAC) to bill contributors based on reported revenues. See generally 47 C.F.R. Part 54. The August 2005 FCC Form 499-Q was due Monday, August 01, 2005, with revisions due by Friday, September 16, 2005 (45 days later). This 45 day form revision window is clearly noted in the instructions for the FCC Form 499 Q, is discussed in a document entitled "Helpful Hints" that was included with the form, and is posted on USAC's website [www.universalservice.org](http://www.universalservice.org). In addition, questions concerning forms and revisions can be addressed to USAC via email at [Form499@universalservice.org](mailto:Form499@universalservice.org).

Because USAC received the August 2005 FCC Form 499-Q submitted by the above-referenced Form 499 Filer ID 825162 Global Connection Inc. of America after the due date and outside of the 45-day revision window, the form was untimely and will not be processed.

If this submission was intended to revise revenue reported on a previously filed original Form 499-Q, please note USAC has relied upon the revenue previously projected by you for the purposes of calculating your universal service charges for October, November and December 2005. If you failed to timely file an original Form 499-Q, please note USAC has relied on revenue previously reported by you for the purpose of calculating your universal service charges for October, November and December 2005.

When a carrier fails to file an FCC Form 499 by the due date, in order to calculate universal service charges for the relevant period, FCC regulations require USAC to estimate that carrier's revenue based upon previously reported revenue information.

Please note that although you missed the revision window for submission of the Form 499-Q, the annual/quarterly (A/Q) true-up will provide a remedy. USAC's 2006 A/Q true-up will reconcile and revise contributor's account accordingly. The 2006 Form 499 A, reporting annual 2005 revenue, has a due date of April 1, 2006. Upon receipt of contributor's 2006 Form 499-A, USAC will perform the A/Q true-up and post appropriate credits or adjustments to your account.

**If you wish to appeal this decision with USAC, your appeal must be postmarked no later than 60 days after the date of USAC's rejection letter. Appeals postmarked after 60 days from the date of this letter will be automatically dismissed.**

In the event that you choose to appeal the decision, you should follow these guidelines:

- Write a "Letter of Appeal to USAC" explaining why you disagree with this Form 499-Q rejection letter and identify the outcome that you request.
- Be sure to refer to CC Docket No. 96-45 on all communication with the FCC.
- The appeal must identify the "Legal Reporting Name" and "Filer 499 ID".
- Provide necessary contact information. Please list the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with USAC.
- Explain the appeal to the USAC. Please provide documentation to support your appeal.

- Attach a photocopy of this Revised Form 499-Q Rejection decision that you are appealing.
- Mail your letter to:  
Letter of Appeal  
USAC  
2000 L Street, NW, Suite 200  
Washington, DC 20036
- **Appeals submitted by fax, telephone call, and e-mail will not be process**

The response will indicate whether USAC:

- Agrees with your letter of appeal, and approves an outcome that is different from the Revised Form 499-Q Rejection Letter; or
- Disagrees with your letter of appeal, and the reasons therefore.

If you disagree with USAC's response to your "letter of appeal," you may file an appeal with the FCC within 60 days of the date USAC issued its decision in response to your "Letter of Appeal." Again, please note your appeal must be postmarked no later than 60 days after the date of the Appeal Decision. Appeals postmarked after 60 days from the date of USAC's response to your appeal will be automatically dismissed. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725) are available on the FCC web site ([www.fcc.gov](http://www.fcc.gov)).

Please be sure to refer to CC Docket No. 96-45 on all communication with the FCC. The appeal must also provide your company's name and Filer ID, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address of the person filing the appeal. Unless the appeal is by ECFS, please include a copy of the decision at issue.

Appeals submitted via the United States Postal Service, should be sent to the address below (For security purposes, hand-delivered or messenger-delivered documents will not be accepted at this Washington, DC address):

Federal Communications Commission  
Office of the Secretary

Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187.
