

I asked the SC Office Regulatory Staff, SCTEDP and the SC State legislators about providing some sort of funding for the sidekick2 or hip top 2 or blackberry or other devices. 1. Deaf cannot use car radio for emergency not knowing what happen ahead. 2. Thousand and thousand of pay phone for the hearing Zero for the Deaf. 3. Cannot contact 711 thru 911 for emergency need if I have a heart attack on highway. 4. This device is a lifesaver for all Deaf or HOH. Most of Deaf cannot afford these expensive device. These devices are mandatory for all Deaf or HOH or disabled people.
