**Re: MB Docket No. 05-192**

Dear Ms. Dortch:

Time Warner Inc. (“Time Warner”) today submitted additional documents to supplement its document production and responses to the Commission’s Information and Document Request dated December 5, 2005.<sup>1</sup> Documents are being submitted to supplement Document Set B (documents previously submitted in response to Information Request Question II(E)), Document Set E (documents previously submitted in response to Information Request Question III(I)) and Document Set F (Documents previously submitted in response to Information Request Question III(J)). These supplemental documents involve issues that have been the subject of interest by the Commission staff and accordingly are being submitted in the interest of developing a fulsome record. As these documents contain “Highly Confidential” and “Confidential” information, they were submitted under separate cover according to the terms of the First and Second Protective Orders in this proceeding. This redacted version of the letter, without the subject documents attached, is hereby submitted into the public record pursuant to those orders. Please contact the undersigned with any questions regarding the foregoing.

Sincerely,

  
Arthur H. Harding  
Counsel for Time Warner Inc.
