Federal Communications Commission
Office of Secretary

Dear Ms. Dortch:

Time Warner Inc. ("Time Warner") today submitted an additional box of documents regarding Time Warner's March 22, 2006 supplement to its document production in response to the Commission's Information and Document Request dated December 5, 2005.¹ This set of documents supplements Document Set B (documents previously submitted in response to Information Request Question II(E)) and Document Set F (documents previously submitted in response to Information Request Question III(J)). As with the March 22, 2006 documents, the submitted documents contain "Highly Confidential" and "Confidential" information, and were therefore submitted according to the terms of the First and Second Protective Orders in this proceeding. This redacted version of the letter, without the protected documents, is being submitted into the public record today pursuant to those orders. Please contact the undersigned with any questions regarding the foregoing.

Sincerely,

Arthur H. Harding
Counsel for Time Warner Inc.
