Dear Ms. Dortch:

On behalf of AT&T Inc. (AT&T), Bob Quinn, Jack Zinman, and I met with Scott Bergmann on March 30, 2006, about the above-referenced matters. At the meeting, we reiterated AT&T's request that the Commission adopt rules to advance universal service and establish regulatory neutrality for all prepaid calling card services. We also discussed AT&T's position on universal service contribution methodology reform. All of the matters discussed during the meeting were consistent with AT&T's previous filings in the above referenced dockets.

Pursuant to section 1.1206(b) of the Commission's rules, this letter is being filed electronically via the Commission's ECFS system. Should you have any questions regarding this letter please feel free to contact me via the means most convenient for you.

Sincerely,

/s/ Eric N. Einhorn
