RE: FCC Annual Allocation of Costs Certification Statement
Complied with Section 64.901

Dear Ms. Dortch:

In accordance with the Docket Nos. 00-199, 99-301, and 80-286 adopted October 11, 2001 released: November 5, 2001 Paragraph 191:

"We also adopt the proposal in the Notice to eliminate the requirement that CAMs of mid-sized carriers be subject to an attest audit every two years. Instead of requiring mid-sized carriers to incur the expense of a biennial attestation engagement, they will file a certification with the Commission stating that they are complying with section 64.901 of the Commission & rules. The certification must be signed, under oath, by an officer of the incumbent LEC, and filed with the Commission on an annual basis. Such certification of compliance represents a less costly means of enforcing compliance with our cost allocation rules."

Citizens Communication Company (DBA "Frontier Communications") respectfully submits a certification statement of compliance with section 64.901 rules.

Sincerely,

Katherine Caminiti
