Re: WT Docket No. 05-211
Written Ex Parte Presentation

Dear Chairman Martin and Commissioners:

The undersigned Alaska Native Corporations, representing over 20,000 Alaska Native shareholders, strenuously object to any rulings by the Federal Communications Commission which would extend restrictions on Designated Entity partnering below the large national wireless supercarriers. Such ruling would effectively dismantle the DE Program as mandated by Congress. We urge the Commission to maintain the most important diversity tool at its disposal, stay with the clear record in this case and proceed with finalizing its Tentative Conclusion in this proceeding.

Respectfully submitted,
