Dear Customer:

Axces, Inc. ("Axces") and Horizon Telecom, Inc. ("Horizon") have entered into an Asset Purchase Agreement, whereby the telecommunications assets of Axces will be sold by Axces, Inc. and purchased by Horizon Telecom, Inc. ("Horizon"). Horizon will continue to be your telecommunications service provider for long distance services. Horizon anticipates this happening on or before _____

This change in ownership will not affect or in any way disrupt your current service. **Your rates and the terms and conditions under your existing contract will not change as a result of the transaction.** No charges or fees will be imposed and no rate increase will occur as a result of this transaction. Axces will inform you, by separate mailing, of any post-transaction changes which may occur.

We realize you have a choice of carriers. Subject to the terms and conditions of your existing contract with Axces, including applicable termination penalties, you have the right to choose a different carrier for your services. Please note that if you are a customer of Axces on the date of the transfer and you have not informed Axces that you have made arrangements to switch to a carrier other than Axces, your services will automatically be transferred and your account assigned to Axces. Also, if you have placed a "freeze" on the services to prevent the unauthorized transfer of your services to another carrier, the freeze will be lifted and your services will be transferred to Axces. You must contact your local exchange carrier to re-establish freeze protection for your Services after the transfer. Horizon will be responsible for any outstanding Axces customer complaints after the date of transfer. If you have any questions, please call one of Horizon's Customer Service Representatives at 1-877-539-7995.

We at Horizon are pleased to welcome you to our team and would like to express our appreciation for allowing us the opportunity to be your telecommunication service provider. We are confident that you will be pleased with the high quality of our service.

Yours faithfully,

Horizon Telecom, Inc.
