Re: *Ex Parte* Presentation; ET Docket No. 05-247

Dear Ms. Dortch:

This is to notify you that on April 21, 2006, David S. Mackey and Deborah Lau Kee of the Massachusetts Port Authority (“Massport”), Bill Squadron of Advanced Wireless Group, LLC (“AWG”) and myself met with Fred Campbell, legal advisor to Chairman Martin, to discuss Massport’s position in the above-referenced matter. Massport reiterated its concern for safety and security at Logan Airport resulting from the proliferation of antennas around the airport. Massport also discussed the proposal it has made to Continental to resolve this matter and discuss the Commission convening a meeting between Massport and Continental to discuss a resolution of this matter.

Cordially yours,

Christine M. Gill
