Re: *Notice of Oral Ex Parte Presentation*  
WT Docket No. 05-287

Dear Ms. Dortch:

On April 26, 2006, Glenn Rabin, Vice President, Federal Communications Council, Alltel Corporation ("Alltel"), together with the undersigned, met with Fred Campbell, Legal Advisor, Office of Chairman Kevin Martin. During the meeting, the parties discussed the substance of Alltel's Petition for Limited Waiver of the E911 rule requiring 95 percent ALI-capable handset penetration by December 31, 2005. Alltel indicated that at the end of February 2006, approximately 86.1 percent of its subscribers had ALI-capable handsets, and that the company has continued to meet its communications and marketing commitments and engage in ongoing efforts to increase ALI-capable handset penetration.

If you have any questions, please contact the undersigned.

Respectfully Submitted,

/s/ Kathryn A. Zachem
