Subject: Sacred Wind Communications Inc. and Qwest Corp.  
WC Docket No. 06-82, CC Docket No. 96-45, WC Docket No. 03-109

Dear Secretary Dortch:

I am a member of the Navajo Nation Council representing the families and communities of the Church Rock, NM Chapter of the Navajo Nation. I am submitting this letter supporting Sacred Wind Communications in their petition to the Federal Communications Commission. I hereby respectfully request the Federal Communications Commission to approve the petition of Sacred Wind Communications to provide needed telephone services to the Navajo and non-Navajo population in the Eastern Agency of the Navajo Nation.

The population of the Church Rock Chapter, support the efforts of Sacred Wind Communications and their plans to construct telecommunication systems that will reach the Navajo households in our Chapter that are without telephone services. We understand that Sacred Wind Communications needs Federal Communications Commission assistance to be able to meet our unmet needs and have the ability to provide and expand its services to all the people in our Chapter and other Chapters within the Eastern Agency.

The majority of families in our chapter communities does not have even basic telephone services in their homes and are at personal risk in times of emergencies and inclement weather conditions. The lack of telephone services creates a disadvantage in areas of education, economic development, employment, and we also need the quality of life that those whom reside off the reservation have.

The families of the Church Rock Chapter are very supportive of Sacred Wind Communications and their plans, therefore we respectfully ask the Federal Communications Commission to further expedite its review and approval of all that Sacred Wind Communications is requesting from the Federal Communications Commission.

Sincerely,

A handwritten signature in cursive script that reads "Charles Damon".

Mr. Charles Damon, Council Delegate  
Navajo Nation Council
