MOTION FOR LEAVE TO FILE
COMMENTS

Waukomis Communications, by counsel and pursuant to Section 1.41 of the Commission's rules, 47 C.F.R. §1.41, hereby requests leave to file the accompanying "Comments" in the above-captioned proceeding. In support of this request, the following is stated:

Waukomis Communications inadvertently neglected to file comments in this proceeding by the April 17, 2006 comment deadline expressing an interest in the allotment of Channel 292A at Waukomis, Oklahoma. As stated in the accompanying Comments, in the event Channel 292A is allotted to Waukomis, Waukomis Communications will file an application for a construction permit for the new station, and, if its application is granted, will promptly construct and operate the new facility.

There is good cause for the Commission's acceptance of the accompanying Comments and expression of interest in the new allotment at Waukomis. Because the accompanying Comments are being filed within two weeks of the reply comment deadline in this

proceeding, they will not materially delay the Commission's resolution of this proceeding. Moreover, the Comments support the petitioner's proposal and no other comments have been filed in this proceeding. Therefore, no party will be prejudiced by the Commission's acceptance of the Comments.

WHEREFORE, in light of the foregoing, Waukomis Communications respectfully requests that the Commission grant this motion and accept the accompanying Comments filed contemporaneously herewith.

Respectfully submitted,
