

## CC Docket No. 02-6 - Request for Waiver

Western Reserve Board of Education (Billed Entity Number 129578)  
13850 Akron Canfield Rd.  
Berlin Center, OH 44401-9752

Request for Waiver of the 60 day appeal window for E-Rate Funding Year 4, 2001-02.

Our district properly and correctly filed for E-Rate Funding which was approved.

Due to staff change and lack of awareness we did not file Bear Form 472 on time.

On April 8, 2003 we filed our 472 forms.

Late May we received Form 472 (BEAR) Notification Letters which stated the claim was \$0.00 funded due to: "Invoice after last day for fund year"

We immediately appealed to USAC / SLD June 2003.

October 2005, we received "Administrators Decision on Invoice Deadline Extension Request" which was "Denied"

This denial has been a financial burden to our School District, as budgets were calculated based on our awarded funding.

Unfortunately an appeal was never filed with the FCC again do to staff turnover and awareness of the appeal procedure; I hope to accomplish that now.

At this time I'm not sure what numbers and information is required, so I'm forwarding the following:
