

Dear Chairman Martin:

Merger mania must stop. Why do we need bigger conglomerates? I challenge the Comcast/Time Warner/Adelphia merger (FCC Docket No. 05-192) and the AT&T/BellSouth merger (FCC Docket No. 06-74). Allowing the largest telecommunications company and the two largest cable companies in the United States to grow even larger does not serve the public interest.

The concentration of media power is a growing problem in this country.

The FCC should block these transactions or impose strict conditions to protect free speech and competition under its "public interest standard."

I ask the FCC remember who they are ultimately responsible too. Me and consumers like me, not big business first and foremost.
