**Re: Notification of Ex Parte Presentation
WC Dockets No. 06-54 and 06-55**

Dear Ms. Dortch:

On May 30, 2006, Glenn Britt, President and CEO, Time Warner Cable Inc. ("TWC"), spoke by telephone with Chairman Kevin Martin to discuss the petitions filed by TWC in the above-referenced dockets. Mr. Britt noted that although TWC is ready, willing, and able to offer service, several state regulatory commissions have issued rulings at the behest of rural LECs that have made it impossible for TWC to offer voice service in certain rural areas. Mr. Britt urged the Commission to act expeditiously in granting the petitions so that rural consumers in the impacted areas would no longer be deprived of the benefits of competition and choice.

Please contact me if you have any questions regarding this notice.

Sincerely,

Susan A. Mort
