FUNDING COMMITMENT ADJUSTMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Adjustment Report (Report) for the Form 471 application cited above. The enclosed Report includes the Funding Request Number(s) from your application for which adjustments are necessary. Immediately preceding the Report, you will find a guide that defines each line of the Report.

The SLD is also sending this information to your service provider(s) for informational purposes. If USAC has determined the service provider is also responsible for any rule violation on these Funding Request Numbers, a separate letter will be sent to the service provider detailing the necessary service provider action.

Please note that if the Funds Disbursed to Date amount is less than the Adjusted Funding Commitment amount, USAC will continue to process properly filed invoices up to the Adjusted Funding Commitment amount. Please note the Funding Commitment Adjustment Explanation in the attached Report. It explains why the funding commitment is being reduced. Please ensure that any invoices that you or your service provider submit to USAC are consistent with program rules as indicated in the Funding Commitment Adjustment Explanation. If the Funds Disbursed to Date amount exceeds your Adjusted Funding Commitment amount, USAC will have to recover some or all of the disbursed funds. The Report explains the exact amount (if any) the applicant is responsible for repaying.

A GUIDE TO THE FUNDING COMMITMENT ADJUSTMENT REPORT

A report for each E-rate funding request from your application for which a commitment adjustment is required is attached to this letter. We are providing the following definitions for the items in that report.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each individual request in your Form 471 once an application has been processed. This number is used to report to applicants and service providers the status of individual discount funding requests submitted on a Form 471.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the applicant and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This number will only be present for "site specific" FRNs.

ORIGINAL FUNDING COMMITMENT: This represents the original amount of funding that SLD had reserved to reimburse you for the approved discounts for this service for this funding year.

COMMITMENT ADJUSTMENT AMOUNT: This represents the amount of funding that SLD has rescinded because of program rule violations.

ADJUSTED FUNDING COMMITMENT: This represents the adjusted total amount of funding that SLD has reserved to reimburse for the approved discounts for this service for this funding year. If this amount exceeds the Funds Disbursed to Date, the SLD will continue to process properly filed invoices up to the new commitment amount.

FUNDS DISBURSED TO DATE: This represents the total funds that have been paid to the identified service provider for this FRN as of the date of this letter.

FUNDS TO BE RECOVERED FROM APPLICANT: This represents the amount of improperly disbursed funds to date as a result of rule violation(s) for which the applicant has been determined to be responsible. These improperly disbursed funds will have to be recovered from the applicant.

FUNDING COMMITMENT ADJUSTMENT EXPLANATION: This entry provides an explanation of the reason the adjustment was made.

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full. During the course of a review it was determined that your Form 470 did not include the service(s) for which you sought funding in your Form 471 application, which is a violation of the FCC's competitive bidding rules. This FRN requested funding for Internet Access however the cited FCC Form 470 # 855920000515095 did not indicate that you were seeking funding for Internet Access. FCC rules require that except under limited circumstances, all eligible schools and libraries shall seek competitive bids for all services eligible for support. Since the services for which you sought funding were not properly posted to the website for competitive bidding, the commitment has been rescinded in full.

Form 470 Application Number: 855920000515095
Entity Number: 123060
Date Form 470 Posted: 12/02/2004
Allowable Vendor Selection/Contract Date: 12/30/2004

Dear Ray Nutkis:

This letter is to notify you that the Schools and Libraries Division (SLD) has received your FCC Form 470, "Description of Services Requested and Certification Form," and your signed certification. This letter provides important information about program rules. Please read this letter carefully and retain it for your records and future reference.

The Form 470 Application Number listed above has been assigned by the SLD and will be used to track your Form 470. This number must be provided on each FCC Form 471, "Services Ordered and Certification Form," Block 5 Funding Request that cites this Form 470. Any applicant who relies on this Form 470 will need to know this Form 470 Application Number. You may wish to share this number with those schools and/or libraries featured in this application to assist them in their preparation of the Form 471.

The purpose of the Form 470 is to open a competitive bidding process for the services desired. The Form 470 applicant is responsible for ensuring an open, fair competitive process and selecting the most cost-effective provider of the desired services with price being the primary factor. The Form 470 must be completed by the entity that will negotiate with potential service providers. A service provider who will participate in the competitive bidding process as a bidder cannot complete it. Please be aware that if a service provider was involved in the preparation or certification of your Form 470, this involvement could taint the competitive bidding process and result in the denial of your funding requests.

FCC rules require that requests for non-contracted tariffed or month-to-month services and requests for new contractual services be posted on the SLD section of the USAC web site for a period of at least 28 days before selecting a vendor in order to provide for a competitive bidding process. If you indicated on your Form 470 that you have an RFP, that RFP must also be available to potential bidders for at least 28 days before selecting a vendor. In addition, if you are seeking support on your Form 470 for the first time for services delivered under a multi-year contract signed on or before July 10, 1997, the SLD cannot process your Form 471 until the 28-day waiting period has elapsed. State or local laws may require a longer procurement cycle. This 28-day waiting period must occur before

you may execute any contracts for contracted services, before you select your vendor for non-contracted tariffed or month-to-month service, and before you sign and submit your Form 471.

The "Allowable Vendor Selection/Contract Date" featured above is the earliest date that you may execute any contracts for contracted services; select your vendor for non-contracted tariffed or month-to-month services; and sign and submit your Form 471.

The FCC's Fifth Report & Order (FCC 04-190, released August 13, 2004) requires that documents demonstrating compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts must be retained for a period of at least five years after the last day of service delivered. See "Document Retention Requirements" in the Order for a descriptive list of many of the documents you must retain.

You must follow all applicable state and local procurement laws. You must also be able to demonstrate compliance with these laws.

Your Form 470 and RFP, if applicable, MUST define the specific services or functions (and quantity and/or capacity) for which funding will be sought. You MUST obtain specific cost information, including prices for products and services to be provided. Failure to adhere to these rules violates the requirement to choose the most cost-effective provider. Moreover, you cannot seek discounts for services in a category of service on the Form 471 if those services in those categories were not indicated on a Form 470.

Requests for Proposals (RFPs) or other solicitation methods must be tailored specifically to your needs and circumstances, and based directly on your technology plan. Use of a generic RFP used successfully by another applicant, for example, does not comply with the Commission's competitive bidding requirements. RFPs and competitive bidding processes that are structured to favor one service provider undermine the competitive process.

FCC rules require your service provider to offer you the option of requesting discounts on bills, or of paying the bills in full and then receiving reimbursement. We recommend that you include your preferred method for receiving discounts when considering bids and discuss that with your service provider.

Beginning with Funding Year 2005, FCC rules restrict funding of Internal Connections Other than Basic Maintenance to only twice every five years. This rule does not apply to Basic Maintenance of Internal Connections.

A technology plan that covers all 12 months of the funding year is required for all services except basic local, cellular, PCS, and/or long distance telephone service and/or voice mail only. The technology plan must have been written before the Form 470 is filed, and must be approved by a state or other authorized body that is an SLD-certified Technology Plan Approver prior to the commencement of discounted services.

To assist us in evaluating the impact of new technology on the nation's schools and libraries, you will be asked to provide the National Center for Education Statistics (NCES) or Federal-State Cooperative System (FSCS) code for any recipient of service. Please continue to review the web site for additional information.

FCC Registration Numbers may be obtained through the FCC Registration Number Commission Registration System (CORES) at www.fcc.gov. The FCC's "Red Light Rule" became effective November 1, 2004. The FCC adopted Section 1.1910 of the rules to implement the Debt Collection Improvement Act of 1996 (DCIA), and amended 47 C.F.R. Secs 1.8002 and 1.8003 "to require all entities that participate in the schools and libraries universal service support mechanism to obtain an FCC Registration Number." Please continue to review the SLD section of the USAC web site for additional guidance.

Complete information about the filing window for the Funding Year 2005 Form 471, is posted to the SLD web site.

It is important to remember that not all requested services will necessarily be approved for discounts. Your Form 471 will be subject to review by the SLD for a determination of funding eligibility before funds are committed. This review will consider all program rules, including eligibility of discount recipients and the eligibility of services for which discounts are requested. In addition, availability of funds will be a factor in funding decisions. Therefore, you should consider the possibility of a denial of funding or a level of funding below your request, and include appropriate contingencies in contracts for any or all of the requested services.

Thank you for your interest in the Schools and Libraries program. If you have any questions, please contact the SED Client Service Bureau by e-mail using the "Submit a Question" link on the web site, by fax at 1-888-276-8736 or by phone at 1-888-203-8100.

IMPORTANT REMINDERS & DEADLINES

Entity Number: 123060
Applicant Name: MORRIS CO VOC-TECH SCHOOL DIST

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

28-DAY POSTING REQUIREMENT - FCC Rules require that requests for non-contracted tariffed or month-to-month services and requests for new contractual services be posted on the SLD section of the USAC web site for a period of at least 28 days before selecting a vendor. If you indicate on your Form 470 that you have an RFP, RFPs must also be available to potential bidders for at least 28 days before selecting a vendor.

FORM 471 APPLICATION FILING WINDOW - It is your responsibility to check the SLD section of the USAC web site or contact the SLD Client Service Bureau (CSB) to obtain the filing window dates.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC stated that requiring applicants to pay their share ensures efficiency and accountability in the program. The FCC's Fifth Order (FCC 04-190 released August 3, 2004) concluded that a reasonable timeframe for a beneficiary to pay its non-discount share is 90 days after the delivery of service. If you are using a trade-in as part of your non-discount portion, please refer to the web site for more information.

TECHNOLOGY PLAN - When a technology plan is required, it must cover all 12 months of the funding year, must have been written before the Form 470 is filed, and must be approved prior to commencement of discounted services. Technology plans are not required for basic local, cellular, PCS, and/or long distance telephone service and/or voice mail only.

RETAIN DOCUMENTATION - FCC rules require that documents demonstrating compliance with the statute and Commission rules must be retained for a period of at least five years after the last day of service delivered. See "Document Retention Requirements" in FCC 04-190 for a descriptive list of many of the documents you must retain.

FREE SERVICES ADVISORY - Applicants and service providers are prohibited from using the Schools and Libraries Support Mechanism to subsidize the procurement of ineligible or unrequested products and services, or from participating in arrangements that have the effect of providing a discount level to applicants greater than that to which applicants are entitled.

FCC REGISTRATION NUMBERS - Effective November 1, 2004, E-rate program participants must have an FCC Registration Number. Please continue to review the SLD section of the USAC web site for additional guidance.

Complete program information - including more information on these reminders - is posted to the SLD section of the USAC web site at www.sl.universalservice.org. You may also contact CSB by e-mail using the "Submit a Question" link on the web site, by fax at 1-888-276-8736 or by phone at 1-888-203-8100.

Re: Form 471 Application Number: 448973
Funding Year 2005: 07/01/2005 - 06/30/2006
Applicant's Form Identifier: 4065320506
Billed Entity Number: 123060

This notification is an acknowledgment of receipt and successful data entry of your FCC Form 471, "Services Ordered and Certification Form," reflecting \$81,948.00 in total program year pre-discount costs for services. This letter confirms that the Form 471 and signed or electronically certified Form 471 Certification have been received. Please note that the later of these Form 471 application materials was postmarked or received by the Schools and Libraries Division (SLD) on 02/17/2005. Your application will be considered within the Form 471 application filing window wherein all applications that meet the Minimum Processing Standards are treated as though they were received on the same day. It is important that you retain this Form 471 Receipt Acknowledgment Letter (RAL) for your records.

While the Item 21 Attachments are not a window filing requirement, you are encouraged to send them as soon as possible, if you have not already done so. You may send your Item 21 Attachments via e-mail, fax or mail. (See "Item 21 Attachments For Form 471" posted in the Reference Area of the SLD section of the USAC web site at www.sl.universalservice.org.)

NOTE: Item 25 on the Form 471 is a certification that you have secured access to the resources necessary to pay for (1) the non-discount portion of the costs for eligible services within the funding year, as well as (2) the ineligible products and services necessary to make effective use of the eligible services you have requested. "Secured access" means that you can show that these funds are, or will be, part of your annual budget; or, if you are obtaining the funds from an outside revenue source, that these funds have been acquired or committed. IF YOU OBTAIN THESE FUNDS FROM AN OUTSIDE SOURCE, THE FUNDS MUST NOT COME DIRECTLY OR INDIRECTLY FROM YOUR SERVICE PROVIDER(S). YOUR SERVICE PROVIDER(S) MAY NOT WAIVE THE NON-DISCOUNT PORTION OF THE COSTS.

THIS LETTER DOES NOT CONTAIN ANY DECISIONS CONCERNING YOUR REQUESTS FOR DISCOUNTS. NOTE, HOWEVER, THE THREE-WEEK RESPONSE DEADLINE DESCRIBED BELOW.

It is important that you keep the Form 471 Application Number cited above for future communications with the SLD. Our Program Integrity Assurance (PIA) Team will now review your application for compliance with program rules. Once the review of your application has been completed, you will receive one or more Funding Commitment Decision Letters (FCDLs) to inform you of our decisions on your Funding Requests. You cannot assume that USAC will approve the discounts for which you are applying before an FCDL is issued.

FCC rules require you to retain documentation showing that you have complied with all statutes and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts. (See 47 C.F.R. 54 Secs. 504-516.) You must retain all required documents for a period of at least five years after the last day of service delivered. A descriptive list

illustrating documents that service providers and beneficiaries must retain is included in the Form 471 Instructions. All documents used during the competitive bidding process, including correspondence between the beneficiary and prospective bidders regarding the products and service sought and all bids submitted - winning and losing - must be retained.

ALLOWABLE CORRECTIONS USING THE RAL (ACT WITHIN THREE WEEKS!)

If you find data entry errors on this letter, or you previously identified errors on your Form 471, certain of these errors can be corrected using this Form 471 RAL.

- You MUST, at a minimum, include the signature, printed name and official title of either the contact person on this letter or the authorized person on the Form 471.
- Requests should be received or postmarked within three weeks of the date on this letter.

If any of the required information is missing or the request is late, the request may be not processed, but may will be included in the review of the form.

Examples of ALLOWABLE CORRECTIONS are:

- A. **CORRECTIONS TO BLOCK 1 INFORMATION:** You may correct Block 1 items such as the contact person's name, street address, etc.
- B. **CORRECTIONS TO BLOCK 4 INFORMATION:** While the RAL does not contain Block 4 Worksheet information, you may check this information on our web site. (See the last paragraph in this letter for instructions on displaying application data.) You may correct an entity listed on a Block 4 Worksheet. You may also provide or correct a National Center for Education Statistics (NCES) or Federal-State Cooperative System (FSCS) code. If needed, include an additional page from a blank Form 471 Block 4 Worksheet with ALL columns completed. If the Form 471 has multiple worksheets, be sure to indicate the worksheet number(s) for which you are requesting the entity correction(s) be made. The Item 21 Attachment must substantiate corrections to Block 4. (See the FCC Order DA 02-90, released January 14, 2002.)

NOTE: If a Block 4 correction will lead to a decrease in the original discount percentage requested, the correction will be processed. This revised calculation will become the new discount percentage for the worksheet and for any Block 5 Discount Funding Requests that reference the worksheet.

If a Block 4 correction would lead to an increase in the discount percentage requested, the original discount percentage will continue to be the discount percentage for the worksheet and for any Block 5 Discount Funding Requests that reference the worksheet.

- C. **REDUCTIONS TO BLOCK 5 DISCOUNT FUNDING REQUESTS:** You may request reductions to Block 5 Discount Funding Requests except for those that would increase your discount percentage due to a change in recipients of that Block 5 service. You may wish to reduce requests if you:
 - will not be able to make use of services for which you requested discounts for the funding year, or
 - based your Discount Funding Request(s) for tariffed or month-to-month service on a projected rate increase that is now known to be much smaller than expected.
- D. **CANCELLATIONS OF BLOCK 5 DISCOUNT FUNDING REQUESTS:** You may wish to cancel Block 5 Discount Funding Requests if you:
 - duplicated pending requests in Forms 471 for prior funding years where you had not received an FCDL before the close of the Form 471 application filing window, or
 - will not be able to make use of services for which you requested discounts for the funding year.

Reduction and cancellation requests are not subject to the three-week deadline.

The SLD encourages applicants who know that they will not use all of the amounts requested to notify the SLD of an appropriate reduction to or cancellation of these Discount Funding Requests. This action would allow the SLD to distribute the amounts that are available for the funding year more effectively.

- E. **UNBUNDLING AN FRN:** You may request to "split" or "unbundle" an incorrectly combined Funding Request Number (FRN) with two or more services from different service providers (for example, local phone service from one company and long distance

service from another for which you receive separate bills), or from different eligible service categories (such as Internal Connections Other than Basic Maintenance and Basic Maintenance of Internal Connections).

NOTE: The total dollar amount represented by the newly divided ERNs must not exceed the amount you requested for the original combined ERN.

To split or unbundle an incorrectly combined ERN, draw a line through the original combined ERN on the photocopy of your RAL. Then write in the SPIN, Service Provider Name, Services Ordered category, Total Program Year Pre-Discount \$ Amount, and Discount Percentage for each distinct service you have now "unbundled," making sure that the total dollars requested add up to no more than the ORIGINAL request.

- F. CORRECTION OF AN INTERIM SPIN (143999999) OR INCORRECT SPIN: Corrective SPIN Changes are allowed. These include corrections because
- the service provider did not have an assigned SPIN, or
 - there was a data entry error by the applicant or the SLD, or
 - the company has merged with or been acquired by another company, or
 - other instances when the SPIN indicated on the Form 471 changed when the applicant did not initiate such a change.

Requests to change service providers for other reasons - Operational SPIN Changes - are not allowed prior to commitment.

- G. CORRECTION OF AN INCORRECT SITE IDENTIFIER: You may correct the site identifier, which is the Entity Number of the recipient of a site-specific service from Block 5, Item 22a of the Form 471. (See Item B. above for correcting a site identifier on a shared service.) The Item 21 Attachment must substantiate the correction to the site identifier. (See the FCC Order DA 02-90, released January 14, 2002.)

NOTE: If a site identifier correction will lead to a decrease in the original discount percentage requested, it will be processed. The revised calculation will become the new discount percentage for the Funding Request.

If a site identifier correction will lead to an increase in the discount percentage requested, the original discount percentage will continue to be the discount percentage for any Block 5 Funding Requests that reference the worksheet.

- H. CORRECTION OF AN INCORRECT BUDGET CALCULATION: You may correct the data you provided in Block 6, Item 25d for the total budgeted amount allocated to resources not eligible for E-rate support. (See the last paragraph in this letter for instructions on displaying application data.)

Note that these corrections should be RECEIVED OR POSTMARKED within three weeks of the date of this letter. Follow these simple steps to make corrections:

1. Photocopy your RAL.
2. Draw a line through each incorrect item, and mark clearly next to it what the correct information should be.
3. Provide the name of the contact person and the contact person's e-mail address, fax number, or telephone number on the first page of the RAL copy that will be sent to the SLD so that we can contact you if we have questions about your requested changes.
4. Make a photocopy of your marked-up letter to keep for your files.
5. Sign your letter.
6. Send your marked-up letter so that it is received or postmarked within three weeks of the date of this RAL. Corrections may also be filed electronically, either by e-mail or by fax. Requests submitted by e-mail or fax will be considered filed on a business day if they are received at the SLD at any time up to 12:00 a.m. (midnight) ET.

To send your marked-up letter and any additional pages by US Postal Service or other carrier, mail to:

Data Entry Corrections
Schools and Libraries Division
Box 125 - Correspondence Unit
80 South Jefferson Road
Whippany, NJ 07981

To send your marked-up letter and any additional pages by e-mail, use the "Submit a Question" feature on the SLD web site at www.sl.universalservice.org. Follow the online instructions for help on submitting attachments.

NOTE: To be filed by e-mail, your marked-up letter should be scanned (TIF file format is preferred). Total file size of the e-mail message must be less than 10 Megabytes. The SLD will automatically reply to incoming e-mails to confirm receipt.

To send your marked-up letter and any additional pages by fax, fax to:

(973) 599-6526

7. Allowable corrections received in a timely fashion will be reflected in your ECDC. We will not make corrections that do not fall into the categories defined as Allowable Corrections above. Please note that, except for the automated e-mail response, the SLD will not advise you that we have received your "change request."
8. Please notify your service provider of any corrections to the RAL that you submit to the SLD. Your service provider has also received a copy of the original RAL. This correction will help your service provider keep your records updated.

MISSING FUNDING REQUESTS

If information about a particular Block 5 Discount Funding Request is not included in the itemized list of Block 5 ERNs reported in the attached "Form 471 RAL Funding Requests Report", this is because the ERN did not pass Minimum Processing Standards. If this is the case, you will receive a separate letter from the SLD explaining the reason for rejection. If you believe that there were ERNs included in your Form 471 that are not listed in this letter AND you do not receive a letter informing you that those ERNs are rejected, please contact us using the e-mail, fax or mail instructions found earlier in this letter. Label your communication "QUESTIONS ABOUT RAL". Please note that the SLD Client Service Bureau may not have the information necessary to respond to your inquiry; therefore, your letter should be sent as described above for a RAL correction.

FUTURE CONTACTS WITH PROGRAM INTEGRITY ASSURANCE (PIA)

It may be important for us to contact you as our PIA Team reviews the funding requests contained in your Form 471. Our requests for clarification and/or additional documentation will require a prompt response to permit us to process as many applications as possible before the start of the Funding Year. The due date for such responses will be established at the time that the PIA Team contacts you. Please make sure that the contact person on your application is available to speak with the PIA Team, or that a surrogate is available. In addition, you should monitor on a daily basis the fax and e-mail locations that you cited in your Form 471 for the contact person.

COMMUNICATIONS WITH YOUR SERVICE PROVIDERS

The SLD is also sharing this ERN information with service providers whose SPINs are listed on Form 471 applications. This information is provided so that service providers can undertake the preparatory steps of identifying their potential customers for whom discounts may be issued. NO DISCOUNTS will be provided until after:

- the SLD issues the ECDC for a particular application; AND
- technology plans, if applicable, have been approved; AND
- the applicant submits a Form 486 with a valid service start date.

The SLD encourages Form 471 applicants to contact their service providers to inform the service providers of the funding requests submitted to the SLD. Service providers may request additional information concerning the specific services contained within each funding request in order to facilitate discounted billing, if that is the billing arrangement requested by the applicant.

If the interim SPIN (#143999999) is featured on a funding request, the SLD has not been informed of the correct SPIN for the service provider associated with that Block 5 funding request. The SLD WILL NOT commit funds on such requests until we are notified of the correct SPIN. You can contact your service provider to obtain your service provider's SPIN, or you may search for the SPIN by using the SPIN Search tool under the Tools menu on our web site. Once you have obtained the correct SPIN, use the guidance in the "ALLOWABLE CORRECTIONS USING THE RAL" section of this letter to notify the SLD of the correct SPIN. If your service provider has not been issued a SPIN, ask the service provider to review the information for obtaining a SPIN on our web site or to contact the USAC Customer Resource Center toll-free at 1-888-637-6226.

EXPLANATION OF FORM 471 RAL BLOCK 5 FUNDING REQUESTS REPORT

Certain information from each Block 5 Funding Request of Form 471 Application Number 448973 that passed Minimum Processing Standards and that could be entered into our

 - If you did not supply a valid SPIN with your Form 471, you will be required to do so before a funding commitment can be issued. (See F. CORRECTION OF AN INTERIM SPIN (143999999) OR INCORRECT SPIN above.)
- Service Provider Name: The name of the service provider that you identified as providing the service included in this FRN.

- Site Identifier: This will only appear if an Entity Number was provided in Block 5, Item 22a for site-specific services described in this FRN.
- Pre-discount Amount: The total annual pre-discount cost for each FRN. This amount is taken from Block 5, Item 23I.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that the Universal Service Administrative Company (USAC) and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471. This number is used to report to applicants and service providers the status of individual funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" is approved at the level that the SLD determined is appropriate for this FRN. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connections requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

CATEGORY OF SERVICE: The type of service ordered from the service provider, as shown on your Form 471.

FORM 470 APPLICATION NUMBER: The Form 470 Application Number associated with this FRN from Block 5, Item 12 of the Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The Service Start Date for this FRN from Block 5, Item 19 of your Form 471.

CONTRACT EXPIRATION DATE: The Contract Expiration Date for this FRN from Block 5, Item 20b of your Form 471. This will be present only if a contract expiration date was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This will be present only for "site specific" FRNs.

NUMBER OF MONTHS RECURRING SERVICE PROVIDED IN FUNDING YEAR: The number of months of service that has been approved in the funding year. This will be present only for recurring services.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service approved for the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: The discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse your service provider for the approved discounts for this service for this funding year. It is important that you and your service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry provides an explanation of the amount in the "Funding Commitment Decision."

FCDL DATE: The date of this Funding Commitment Decision Letter (FCDL).

WAVE NUMBER: The wave number assigned to FCDLs issued on this date.

IMPORTANT REMINDERS & DEADLINES

Billed Entity Number : 123060
Name of Billed Entity: MORRIS CO VOC-TECH SCHOOL DIST

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

FCC REGISTRATION NUMBERS (FCC RNs) - Effective November 1, 2004, the FCC's Fifth Order (FCC 04-190 released August 13, 2004) requires E-rate program participants to have FCC Registration Numbers. Please continue to review our web site for additional guidance.

FORM 486 DEADLINE - The Form 486 must be postmarked no later than 120 days after the Service Start Date you report on the Form 486 or no later than 120 days after the date of the Funding Commitment Decision Letter, whichever is later. If you are required to have a Technology Plan, that plan must cover all 12 months of the funding year. You must indicate the name of the SLD-Certified Technology Plan Approver (TPA) prior to the commencement of discounted services for this funding year. You must indicate the name of the SLD-Certified TPA who approved your plan in your Form 486, and you must retain your approval letter and documentation of your monitoring of the progress toward your stated goals.

CHILDREN'S INTERNET PROTECTION ACT (CIPA) - Please review the CIPA guidance in the Form 486 Instructions, Section II, "IMPACT OF CIPA REQUIREMENTS ON FORM 486."

INVOICE DEADLINE - Invoices must be postmarked no later than 120 days after the last date to receive service - including extensions - or 120 days after the date of the Form 486 Notification Letter, whichever is later. Invoices should not be submitted until the invoiced products and services are being delivered and billed, and (for BEAR Forms) the provider has been paid.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC has stated that requiring applicants to pay their share ensures efficiency and accountability in the program. FCC 04-190 concluded that a presumptively reasonable timeframe for a beneficiary to pay its non-discount share is 90 days after the completion of services. If you are using a trade-in as part of your non-discount portion, please refer to the web site for more information.

DOCUMENTATION RETENTION - FCC rules require that documents demonstrating compliance with the statute and Commission rules must be retained for a period of at least five years after the last day of service delivered. See "Document Retention Requirements" in FCC 04-190 for a descriptive list of many of the documents you must retain.

SUSPENSION AND DEBARMENT - Persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the Schools and Libraries Support Mechanism are subject to suspension and debarment from the program.

FREE SERVICES ADVISORY - Applicants and service providers are prohibited from using the Schools and Libraries Support Mechanism to subsidize the procurement of ineligible or unrequested products and services, or from participating in arrangements that have the effect of providing a discount level to applicants greater than that to which applicants are entitled.

Complete program information - including more information on these reminders - is posted to the SLD section of the USAC web site at www.sl.universalservice.org. You may also contact the SLD Client Service Bureau by e-mail using the "Submit a Question" link on the web site, by fax at 1-888-276-8736 or by phone at 1-888-203-8100.

NOTICE ON SERVICE START DATE

There may be some situations where one or more Service Start Dates as reflected on this letter have been changed from what you indicated on the Form 486. Such changes are made by the SLD to be in compliance with program rules. You will know that a change has been made if there is an asterisk next to the Service Start Date. If the SLD changed the Service Start Date, this change may have triggered a reduction in the funding commitment. It is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of the discounts only on eligible, approved products and/or services actually delivered and installed on or after the Service Start Date indicated on this letter.

A GUIDE TO THE FORM 486 NOTIFICATION LETTER FUNDING COMMITMENT REPORT

A report for each ERN for which you have notified us of a Service Start Date is attached to this letter. We are providing the following definitions for the items in that report.

Funding Request Number (ERN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to applicants and service providers the status of individual discount funding requests submitted on a Form 471.

Form 471 Application Number: A unique identifier assigned to a Form 471 application by the SLD.

Service Provider Name: The name of the service provider that you identified as providing the service included in this ERN.

Service Provider Identification Number: The unique number assigned by USAC to the service provider you identified as providing the service included in this ERN.

Billing Account Number: The account number that you have established with your service provider for billing purposes. This will be present only if a Billing Account Number was provided on the Form 471.

Service Start Date: The Service Start Date (SSD) as indicated on the Form 486. If this date is marked with an asterisk, it was changed by the SLD to be in compliance with program rules and an explanation for the change has been provided. This date as shown is controlling and USAC will not reimburse discounts on products and/or services delivered or installed prior to this date.

Service Start Date Change Explanation (SHOWN ONLY IF RELEVANT): If the Service Start Date is marked with an asterisk, this field will explain why the SLD changed the date. One of the following explanations may appear:

AVSCD: The Service Start Date may not be before the Allowable Vendor Selection/Contract Date (AVSCD) from the Form 470 cited for this ERN on the Form 471. If you indicated an earlier SSD on the Form 486, the SLD changed the SSD to the AVSCD.

120-DAY 486 DEADLINE: Forms 486 must be postmarked no later than 120 days after the start of services or no later than 120 days after the date of the FCDL, whichever is later. If the Form 486 is postmarked after the later of those two dates, the SLD changed the SSD to the date 120 days before the Form 486 postmark date. That date will become the start date for discounted services. You are advised to keep proof of the date of mailing of your form(s).

Adjusted Funding Commitment (SHOWN ONLY IF RELEVANT): If the SLD changed the Service Start Date, this change may have triggered a reduction in the funding commitment. This field will only appear if there is a reduction to the funding commitment amount.

Form 486 App ID: 4065320508

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

PROGRAM COMPLIANCE - Although this Form 486 has been fully data entered, the SLD will continue to review the compliance status of this Form 486, of each entity represented, and of each ERN listed. If the SLD discovers that the reported CIPA compliance status for an entity is not valid or that a required technology plan has not been approved by an SLD certified Technology Plan Approver, invoices featuring the affected ERNs will not be processed. Please refer to the SLD web site for complete information.

FORM 473 - Invoices received by the SLD will not be paid unless the SLD has an FCC Form 473, Service Provider Annual Certification (SPAC), on file for the funding year associated with the invoice.

INVOICE DEADLINE - Invoices must be postmarked no later than 120 days after the last date to receive service - including extensions - or 120 days after the date of the Form 486 Notification Letter, whichever is later. Invoices should not be submitted until the invoiced products and/or services have been delivered and billed, and (for BEAR Forms) the provider has been paid. Once established, the selected invoicing method - Forms 474 (SPIs) or Forms 472 (BEARs) - must be used for the entire Funding Year.

REVIEW OF INVOICES FOR COMPLIANCE WITH PROGRAM RULES - Once an invoice is in the SLD system, it is reviewed - electronically and, in some cases, manually - for compliance with program rules. This review may include requests from our Program Integrity Assurance team to provide information in support of the invoice. Processing of invoices can take up to 90 days, although usually less.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC has stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If you are using a trade-in as part of your non-discount portion, please refer to the SLD web site.

"FREE" INELIGIBLE SERVICES - Applicants and service providers are prohibited from using approved discounts to subsidize ineligible or unrequested products and services. Please see the "Free Services Advisory" posted in the Reference Area of the SLD web site.

RETAIN DOCUMENTATION - Applicants and service providers must retain documentation including, but not limited to, documents showing:

- compliance with all applicable competitive bidding requirements,
- products and/or services delivered (e.g., customer bills detailing make, model and serial number),
- resources necessary to make effective use of E-rate discounts, including the purchase of equipment such as workstations not eligible for support,
- the specific location of each item of E-rate funded equipment, and
- the applicant has paid the non-discount portion.

These documents must be retained and available for review for five years.

Complete program information is posted to the Schools and Libraries Division (SLD) web site at www.sl.universalservice.org. Information is also available by contacting the SLD Client Service Bureau by e-mail at question@universalservice.org, by fax at 1-888-276-8736, or by phone at 1-888-203-8100.
