**REQUEST TO WITHHOLD INFORMATION
FROM PUBLIC INSPECTION**

ILD Telecommunications, Inc. ("ILD") and Intellicall Operator Services, Inc. ("Intellicall"), by counsel and pursuant to Section 0.459 of the Commission's rules, 47 C.F.R. §0.459, hereby request that certain materials and information contained in the above-captioned Request for Review of Decision of the Universal Service Administrator ("Request for Review") be treated as proprietary and confidential information not available for public inspection. In accordance with Section 0.459(b) of the Commission's Rules, 47 C.F.R. §0.459(b), ILD and Intellicall provide the following information in support of their request for confidential treatment.

1. ILD and Intellicall are today filing a request for review of: (a) a decision of the Universal Service Administrative Company ("USAC") to revise and submit Intellicall's FCC Form 499-A submissions for 2003 and 2004 based on audit findings which are the subject of a pending appeal before the Federal Communications Commission ("FCC"); (b) USAC's assessment of Universal Service Fund ("USF") program contributions and similar assessments regarding contributions to the Telecommunications Relay Service ("TRS") and the North

American Numbering Plan ("NANP") based upon the revised and refiled FCC Form 499-As; and (c) USAC's issuance of a red light status alert to Intellicall regarding Intellicall's alleged failure to pay the "adjusted" contribution amounts billed.

2. Certain of the Exhibits attached to the Request for Review include proposed USF, TRS and NANP assessments for Intellicall. In addition, the text of the Request for Review contains these additional assessments. These assessments enable third parties to determine Intellicall's revenues from the provision of different telecommunications and other services. Such sensitive commercial and proprietary information is protected pursuant to Section 0.457(d) of the Commission's Rules, 47 C.F.R. §0.457(d). ILD and Intellicall are privately owned companies, and this information is not available to the public. However, ILD and Intellicall provide telecommunications and other services in competition with numerous other providers of these services. Disclosure of the financial and operational information contained in the Request for Review and the related Exhibits would result in substantial competitive harm to ILD and Intellicall.

3. The specific Exhibits for which ILD and Intellicall seek confidential treatment are: (1) April 24, 2004 USAC invoice at Exhibit 2; (2) May 4, 2006 NECA invoice to Intellicall at Exhibit 3; and (3) May 11, 2006 NANP invoice to Intellicall at Exhibit 4.

4. For the reasons discussed above, Intellicall respectfully requests that the Exhibits and other information identified in paragraphs 2 and 3 above be withheld from public inspection in accordance with Section 0.459 of the Commission's Rules, 47 C.F.R. §0.459.

5. In the event the Commission denies confidential treatment of that information, ILD and Intellicall respectfully request that the materials be returned to the undersigned

counsel pursuant to Section 0.459(e) of the rules and not disclosed to the public. Any questions regarding this request should be addressed to the undersigned.

Respectfully submitted,

June 5, 2006

ILD TELECOMMUNICATIONS, INC.
INTELLICALL OPERATOR SERVICES, INC.
