*Ex Parte Presentation*

Dear Ms. Dortch:

On Tuesday, June 6, 2006, Lawrence Krevor, Vice President, Government Affairs – Spectrum, Sprint Nextel Corporation (“Sprint Nextel”), James Goldstein, Director – Spectrum Reconfiguration Projects, Sprint Nextel, and I met with David Furth, John Evanoff, Brian Marengo, Roberto Mussenden, Herbert Zeiler, Michael Callahan, Kathryn Farrara, and Chris Koves of the Wireless Telecommunications Bureau to provide an update on the status of 800 MHz band reconfiguration. We provided the attendees with the attached presentation regarding the status of this process. We also urged that the Commission expeditiously issue an order in its rulemaking on 900 MHz band issues, and then conduct an auction of 900 MHz “white space” spectrum.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, 47 C.F.R. § 1.1206(b)(2), this letter and the attachment are being filed electronically for inclusion in the public record of these proceedings.

Sincerely,

/s/ Regina M. Keeney
